Rainouts

In the event that time and field space permits, teams will be scheduled to play double headers in order to make up rainouts. If this occurs, teams will be required to play these games as scheduled by the Alsip Park District. Once a game time has been agreed upon by both team captains, failure to comply with the scheduled game will result in a forfeit loss for the offending team. Season schedules will be updated immediately following rainouts in order to allow captains to make arrangements with all team members. For questions regarding this rule, please contact (708) 389-1003.

The following dates may be used for play in order to re-schedule rained out games. If no make-up games are needed, these dates will be off days.

Note: There will be no games played on the following dates:
