Girl's 12" Fast-Pitch Softball Program

Registration for the Alsip Park District's Girls 12" Softball Program is currently being accepted. Registration is being accepted at the Apollo Recreation Center. This recreational program is being offered to girls 6-14 years of age. The goal of the program is to develop the fundamental skills of 12" Fast-pitch softball, as well as to prepare girls to continue playing at the High School level. We're sorry but in order to preserve the sanctity of the blind draft system when developing teams we will be unable to honor specific requests for children to play with certain participants or coaches. This action can only be honored for immediate siblings (no cousins) or for those coaching their son or daughter. Also, specific requests for group coaching must be made aware to the park district and will be honored only on a case by case basis.
