What's Happening at the Alsip Park District

We would like to extend a **warm welcome to Brad Burke as our Athletic Supervisor.** Brad is a graduate of Illinois State University where he majored in Recreation Management. He previously worked at the Village of Orland Park Recreation Department and at the Mokena Park District. He also completed an internship at the Tinley Park District. We are excited to have Brad on our team.

We would like to send a big **Congratulations to Jeremy Dryier** on being promoted to full time Laborer in our Parks Department. Jeremy joined our team in early 2018. You have probably seen him out and about working hard within our parks system. We look forward to his continued tenure.

Congratulations to Commissioners Jerri-Lynn Kleina and Joe Schmitt on their re-election to the Park Board of Commissioners. Joe was first elected to the Board in 2003 and Jerri-Lynn was first elected to the Board in 2005. We are looking forward to another great 4 years of progressive leadership!

We are proud to announce that the **Fountain Hills Golf Club is participating in the Youth on Course (YOC) program through the Chicago District Golf Association (CDGA).** Youth golfers ages 6-18 can purchase a membership from the CDGA for \$20.00. This membership offers access for youth golfers ages 6-18 to play a round of golf at the Fountain Hills Golf Club for \$5.00. Your membership will also allow you access at other participating courses throughout the country. You can register for the Youth on Course program at www.cdga.org.

The **Fountain Hills Golf Club is also partnering with The First Tee of Greater Chicago** for youth golf lessons. You can view updated information on our website at www.alsipparks.org. Please see page 5 or 41 for more information.

Did you know that by purchasing a youth license plate through the State of Illinois that a portion of your fee goes to youth before and after school programming? The Alsip Park District offers a Before and After School Program for students in School Districts 125 and 126. We also offer various days off of school for all students within our community. We are excited to announce that we have been **awarded a \$1,000.00 grant through the Illinois Association of Park Districts** to continue to support our PowerPlay Before and After School Program.

Check out the updated entrance to the Apollo Recreation Center. **A new seating area, complete with FREE WIFI as well as updated registration desks** have been added to the atrium area. We hope this will enhance your experience as you register for various programs, facilities and events or that you will relax and enjoy after your workout or while you wait for a loved one to finish class.

The Alsip Park District is a proud member of South West Special Recreation Association (SWSRA). SWSRA's main offices are located in the Apollo Recreation Center.

Remember to "Discover Something New" at the Alsip Park District.

Splash Pad

The Alsip Aquatic Park's Safari themed splash pad opened in July 2014. The splash pad covers 2,145 square feet of wet play area. This area has many different types of water features including dumping coconuts, a barrel and swaying palm trees along with bubbling geysers and 3 character water cannons and much more. In addition, new shade structures have been added through out the facility and additional lounge chairs have also been added. Extended hours will be available during the month of May and September (weather permitting) for a daily admission fee to the splash pad area. We have also added two new slides on deck, zero depth entry into the existing wading pool and ADA compliant steps to enter the large swimming pool. Age Limits and Why

In order to provide your child with the best possible recreational experience, all of our programs are designed according to specific age groups. Our instructors are sensitive to the needs of the individual age levels. Children must be the age listed in the brochure for each program by June 1st. Birth certificates may be requested to verify age.

We Love Parents But...

Please do not remain in the classroom after you have dropped your child off. This is in the best interest of your child, interruptions tend to affect participant's attention span and inhibit the establishment of peer relationships. Instructors are available before and after class if you wish to speak with them. Thank You for your cooperation.

Special Accommodations

Please let the instructor know if your child has any allergies or medical needs in the beginning of class. As we often include different working materials and snacks in our classes. Thank you!

SCHOOL STARTERS 2019/2020

If your child misses the September 1st cut-off date required for enrolling in the Three Year Old Preschool Programs, or he or she is not potty trained, "School Starters" is for you! The classes will be offered twice a week, September through April. Being potty trained is not required, but you must be available to come if your child has an accident. The staff will not change diapers, pull-ups or clothes.

The curriculum for "School Starters" will have activities that are hands on to develop fine motor and large motor skills, songs and finger plays to enhance language and speech, stories to practice those listening skills, arts and crafts for the imagination, and gym time. Accomplishing these skills will give your child more confidence, which means less frustration when starting Preschool, and having your child saying, "School is fun!"

Summer Camp 2019

Enroll your kids for another summer of safe and exciting fun meeting new friends and participating in new activities. Our goal is to provide campers with the opportunity to try new games and crafts while utilizing their creativity and developing their problem solving skills. We encourage participants to gain new knowledge through various field trips and Camp Visitors that campers enjoy throughout the summer months. Campers' days, at the Apollo Recreation Center and Apollo Park, will be busy with sport activities, arts n' crafts, and preparing for the "Talent Show" that is always a hit ending camp on a high note! Campers will also enjoy the Alsip Park District Sprayfari twice every week.

Groups are determined by age and staffed according to ratios as set by State standards. Staff members will supervise and interact with their group daily. All camp counselors undergo a drug and background check and are required to be CPR/AED, First Aide certified and attend a three day training session. Counselors are directly involved with week-to-week lesson planning, will lead activities and interact with their group. Your child's counselor will be available daily at regular drop-off and pick-up times to communicate with parents who may have questions or concerns. Though our summer staff members are well prepared with the skills necessary to facilitate a successful camp, we ask that parents communicate with their children the same behavioral expectations as if they were in school. Alsip Park District would like to provide a great experience for everyone involved which is only possible with cooperation and communication!

Summer Camp Registration

All Summer Camp registration will take place **in-person** only at the Apollo Recreation Center. Please bring the necessary information to complete a camper emergency form, medical release form, and permission form. **Your child will not be registered** if you are missing required information such as doctor's name and phone number, emergency contact information, and updated medical information. Please plan on 15 minutes to complete the necessary paperwork. **Upon registration completion and payment, you will receive one t-shirt for each four week session your child is enrolled in which is required to be worn on field trip days. If your child does not have their shirt on a field trip day, you will be required to purchase a shirt for a fee of \$10.00 or your child will not be permitted to attend the field trip. No exceptions will be made. Note: That if your child requires a shirt in a size other than what has been ordered for their group, a fee will be charged.**

Households with balances due from previous camp registrations must be paid in full before a new camp registration can be made. All payments made after May 27 for the camp programs must be paid in cash or credit card. **The balance must be paid in full by Friday, May 31.**

Summer Camp Orientation

It is highly recommended that all parents attend camp orientation to meet the camp staff, have your questions answered, and receive a camp calendar. We will review important camp policies and procedures to eliminate confusion throughout the summer. **Note: It is important to know what days your child swims on as we do go to the pool the first week of camp.** Please bring any questions you may have at this time. We will also discuss drop-off, pick-up, pool days, and field trip days. Please read your Parent Summer Camp Manual prior to attending to the orientation.

Day/Date: Wednesday, June 5
Location: ARC/Main Gymnasium
Time: 7:00 pm

A few quick notes:

1. Summer Camp is held mainly outdoors. If it starts to rain, or the heat index reaches 93 degrees, camp will be moved inside the Apollo Recreation Center. Campers are brought inside on a regular basis to refill water bottles and use the washroom. Campers are also in shaded areas during the day.
2. Field trips are included in the registration fee. If you choose not to send your child on a field trip, there will be no regular camp. You will be charged \$10 for a t-shirt if your child does not have one on the day of a field trip. Field trip transportation can be via school bus or recreational van.
3. Campers must be picked up promptly after camp or a late fee will be charged. Please see Parent Handbook for details. Any camper not picked up after 30 minutes will be brought to the Alsip Police Department. Campers should be dropped off no earlier than five minutes before camp begins.
4. Campers will swim twice each week. Each camper will be swim tested by the lifeguards the first Pool day to determine the depth in which they may swim. This is for the safety of your child and the decision by the lifeguard is final. The Summer Day Camp staff cannot change this decision. If you feel your child's swim ability has changed you may request a re-test when campers enrolled in the second four weeks of camp are tested. This is the only time a camper will be re-tested.
5. There will be no camp held on Thursday, July 4 due to the holiday.
There will be no post camp on Friday, August 2 due to the end of camp.
6. A \$50 administrative fee will be charged for camp refunds. Refunds are only available one week prior to the start of the camp session you registered for.

Registration Information:

Cooperation

The Alsip Park District wishes to acknowledge the Doubletree/Hilton Hotel, Alsip, Hazelgreen and Oak Lawn School District #126 and Cook County School District #130 for enabling the park district to provide numerous year-round recreational activities. The park district is permitted to use school facilities when not being used by the schools. For this reason there may be occasional changes in the schedule.

Nothing ruins a good program quicker...

than waiting until the last minute to register for it. There is a point where if the minimum number of participants is not met to hold the program, it will be cancelled. Registering on the day of or the day before the program will not save it. Please register five business days before the program/event to avoid disappointment. Classes may be combined and times modified to facilitate better programs. Receipts are mailed to those enrolled.

We Love Our Parents But....

Parents are encouraged to attend their child's first day of class. Please do not remain in the gym after you have dropped your child off. This is in the best interest of your child. Interruptions tend to affect the participant's attention span and inhibit the establishment of peer relationships. It's also important to arrive on time so participants can participate in a proper warm up and stretching. Please do not use class time to speak to your child's instructor. Instructors are available before and after class if you wish to speak with them. Thank you for your cooperation.

Alsip Stars Gymnastics Teams

All teams are by placement only. Our Optional Team competes in the Illinois Park District Gymnastic Conference. Any fees related to competition (leotards, warm-ups, meet fees, etc) are in addition to the Alsip Park District registration fees. For additional information, please contact Michelle Rudman at (708) 389-1003.

Chinn's Fishery of Lisle

Having looked for several years for a place to start their own business, Stan & Kim Chinn landed in Lisle, a place they were both familiar with. 10 years prior to opening Chinn's Fishery, they both worked at the same location they would later purchase for their business. Chinn's has been fortunate enough to have their General Manager, Robert Blaese, with them since they opened their doors in 1995, and Manager, Greg Griffin, joined the Chinn family shortly thereafter. Chinn's Fishery specializes in Fresh Seafood. Fish, crabs, lobsters, shrimp, scallops and more, flown in fresh daily. The restaurant gets fresh seafood from Alaska, Hawaii, Florida & from the West Coast to the East Coast. We've witnessed first hand early morning boats bringing in the days catch to the ports in Honolulu. Our Hawaiian contact lets us know the best catch for the day, packs it & it's on our tables within 24 hours.

SWSRA is a special recreation cooperative comprised of the following communities: Alsip, Blue Island, Merrionette Park, Midlothian, Palos Heights, Posen, and Worth. SWSRA was formed in 1981 to provide year-round quality recreation programs and services for individuals with disabilities or special needs. SWSRA programs are designed to increase independence and enhance the quality of life for each individual.

The programs are designed to meet the individual recreation needs of any person who is in special education classes, participates in a sheltered workshop, is referred to SWSRA from a local hospital or rehabilitation center, or who's special needs restrict or prohibit their participation in traditional park district setting. This would include individuals who have varying degrees of physical or mental disabilities, learning disabilities, behavior disorders, attention deficit disorders, hearing or visual impairments.

WE OFFER...

SWSRA offers a wide variety of programs, sports (including participation in Special Olympics Illinois), special events, trips and summer camps. Participants of SWSRA not only have fun, but also make friends, increase physical activity, enjoy new experiences and refine their social and life skills.

INCLUSION...

Some people with disabilities prefer to have recreation opportunities in traditional recreation programs with people who do not have disabilities. To meet this need, SWSRA provides training, support staff and assistance to partner park districts and local recreation departments so inclusive recreation can be enjoyed by all! For more information, please contact SWSRA at (708) 389-9423 or visit us on the web at www.swsra.com.

A confirmation/receipt will be sent to you in the mail once your registration has been processed. If it states "ENROLLED" you are enrolled in the program. If it states "W-List", you are on the waiting list for the program. You will be notified of waiting lists status changes. We encourage you to place your name on a waiting list. If the program you desire is full, additional sessions will be opened if possible.

MINIMUM/MAXIMUM

When you see the words "Min./Max." under a program it refers to the minimum number of participants needed for the program to run and the maximum number of participants that the program can accommodate.

REGISTRATION DEADLINE

Our programs need to meet the minimum number of enrollments by the registration deadline in order for the program to become active. It is important that you register by the registration deadline that is listed with each program to ensure that you are enrolled in the program, (if space is still available). After the registration deadline, registration may not be able to be taken. If we do not meet the minimum number of participants the program may be cancelled.

Main Office Registration Desk

The registration deadline is one week prior to the start of each class unless otherwise noted.

Nothing ruins a good program quicker...

than waiting until the last minute to register for it. There is a point where if the minimum number of participants is not met to hold the program, it will be cancelled. Registering on the day of or the day before the program will not save it. Please register five business days before the program/event to avoid disappointment. Classes may be combined and times modified to facilitate better programs. Receipts are mailed to those enrolled.

Waiting Lists

Since all our programs have registration limits we cannot guarantee your choice of enrollment in them. The Alsip Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

Oops! - Brochure Typos/Errors

Though we try our best, due to the large amount of information available in the Alsip Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause, and when errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, www.alsipparks.org as current as possible. Thank you for your patience and understanding.

Special Accommodations

Special Accommodation Services are provided through the inclusion services of the South West Special Recreation Association (SWSRA). Requests for this service should be made a minimum of 2 weeks before the start date of any program during the registration process.

Say Cheese

Our Park District photographers periodically take pictures and/or videos of participants in our classes, during special events and out at our facilities and parks. Please be aware that these photos are for Park District use and may be used in the District's marketing materials. You must give us written permission if you or your family members do not want to be photographed or published.

Residency

Residency of the Alsip Park District is defined by financial contributions through property taxes for the operation of the park district. Boundaries of the Alsip Park District and the Village of Alsip are not exactly the same. If you are uncertain whether you qualify as an Alsip Park District resident, please check your current property tax bill. Proof of residency in the form of a picture I.D. and current tax bill or utility bill may be required during program registration. Alsip Park District residents are given first priority for program registration.

Program Limitations

Each program at the Alsip Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio and the nature of the program considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the "*Program Cancellation*" section for additional information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate athletic or recreation supervisor.

Important Class Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately **ONE WEEK (five business days)**, prior to the start date. SPONSOR PARTNERSHIP PROGRAM

Become a Partner in Providing Recreational Activities and Creating Lasting Memories

The Alsip Park District has established several partnerships with a variety of organizations and businesses in and outside our community. These partnerships have helped to provide additional financial, in-kind or volunteer resources allowing us to continue to meet the needs of the community. The Alsip Park District prides itself in providing recreation and leisure services for families, adults, youth and senior populations of Alsip and the surrounding communities.

Your company or organization can make a meaningful and lasting impact on the quality of life in the community by partnering with the Alsip Park District as we market our programs and services to the community.

Two Ways to Advertise Your Business:

1. Seasonal Brochure Business Index

The Seasonal Brochure Business Index is a special advertising section for businesses to advertise in the Alsip Park District's Seasonal Brochure. The Alsip Park District quarterly program guide is hand delivered to 7,500 homes in Alsip, with an additional 500 copies available for pick-up throughout park district facilities and the community. It is a great and cost effective way to stretch your advertising and sponsor dollars and get your name out to the residents of Alsip and surrounding communities. These program guides are used as a household reference guide with a shelf-life of up to three months. Take advantage of the opportunity for your company's message to be included in a publication that reaches all Alsip residents four times per year.

2. Special Event/Program Partnership

Each year we look for partnerships through monetary, in-kind and voluntary resources to help support our Special Events and Programs. These partnerships make it possible for the Alsip Park District to provide top-quality special events and family activities. Some of our major Special Events include Fun Fest, All Hallow's Eve Carnival, Trick or Trunk, Santa's Landing, Annual Easter Egg Hunt, Breakfast with the Easter Bunny and many more. Sponsors are named in all promotional and marketing materials surrounding each event/program, including signs, fliers and announcements at the event.

The Alsip Park District reserves the right to refuse ads based on appropriateness and competition with our programs. The Alsip Park District has a variety of opportunities available throughout the year.
