PARDON OUR DUST

Construction at the Apollo Recreation Center is expected to begin by the end of the year. We plan to remain open during construction, but we anticipate the relocation of certain programs throughout the facility as needed. We will work to inform participants of any alterations to locations with as much notice as possible. As we near groundbreaking we will post updates on social media and our website. Please be patient with us as we work to bring the community this wonderful opportunity of an expanded Recreation Center.

GET READY

Work on the redevelopment of the Mary J. Lynch Skate Park is expected to begin in early Spring. Once grant agreements are finalized, we plan to order materials and supplies through the winter so work can begin in spring.

We are proud to share that the Alsip Park District's Fountain Hills Golf Club was voted the Daily Southtown Best of Chicago's Southland in the Golf Course category. We look forward to continuing to serve our residents and neighboring communities.

The Alsip Park District is a proud member of SWSRA! SWSRA provides year-round quality therapeutic recreation programs and services for individuals with intellectual and/or physical disabilities or special needs. SWSRA programs are designed to increase independence and enhance the quality of life for each individual.

New Gymnastics Parent Play-nastics

This new program is a supervised and unstructured opportunity where your child can be active and socialize with others. The gym provides various mats for climbing, balance beams, balls, and tunnels for your child to be active. Every class will begin with group stretching led by an Alsip Park District Gymnastics Coach.

Pre-School Gymnastics

Our pre-school gymnastics class is designed for children ages 3 to 4. Each 45 minute class will focus on beginner skills for vault, bars, beam, and floor. Gymnasts will also develop body and spatial awareness, as well as confidence while using the springboard, pre-school and low bar, low and medium balance beam, floor, and various skill shapes. Participants must wear a leotard or shorts and a t-shirt.

Kinder Gymnastics

This 45 minute class is designed for boys and girls ages 5 and 6. Participants will gain experience on the springboard, low and medium balance beams, pre-school and low bar, as well as the floor. Gymnasts will also develop body and spatial awareness along with confidence using our many skill shapes and trainers. Participants must wear a leotard or shorts and a t-shirt.

Girls Gymnastics Level 1

Our one hour gymnastics class is for girls 7 to 12 years of age with little to no gymnastics experience. Each one hour class will focus on skill for vault, bars, beam, and floor. Girls must wear a leotard or shorts and a fitted t-shirt.

Girls Gymnastics Level 2

Once your daughter has successfully completed Gymnastics Level 1 and has a coach's endorsement, she will be ready for this class. Level 2 is a one hour class designed for 7 to 12 year olds and will provide gymnasts a continuation of skill progression. Gymnasts will continue with all equipment used in the Level 1 Class. Girls who have gymnastics experience may request a skill evaluation to determine if this class is appropriate for their ability level. Girls must wear a leotard or shorts and a t-shirt.

Boys/Girls Tumbling

This 45 minute class is for boys and girls ages 7 to 12 who would like to learn to tumble. Participants will learn a progression of rolls, cartwheels, handstands, round offs, limber skills, walkovers, and hand-springs. Using a variety of practice drills, tumblers will begin with the basics and individually progress through more advanced skills. Participants must wear a leotard or shorts and a fitted t-shirt.

We also offer private tumbling classes for Cheer Teams or groups: please contact gymnastics staff for more information

Shooting Stars & Alsip Gymnastics Team

Shooting Stars is available to participants for building skills to progress to the Alsip Gymnastics Team.

Our Gymnastics Teams compete in the Illinois Park District Gymnastic Conference. Any fees related to competition (leotards, warmups, meet fees etc.) are in addition to the Alsip Park District registration fee. For more information, please contact gymnastics staff.

*Please note that gymnasts that are interested in pursuing Team are encouraged to participate in the Shooting Stars program until their skill level has reached Team status (Reminder: ALL TEAMS ARE BY PLACEMENT ONLY). If the Alsip Gymnastics Team program doesn't meet minimum participants, this time will be made available to Shooting Stars/additional supervised practice.

We Love Parents BUT...

Parents are encouraged to attend their child's first day of class. Please do not remain in the gym after you have dropped your child off. This is in the best interest of your child. Interruptions tend to affect the participant's attention span and inhibit the establishment of peer relationships. It's also important to arrive on time so participants can participate in a proper warm up and stretching. Please do not use class time to speak to your child's instructor. Instructors are available before and after class if you wish to speak with them. Thank you for your cooperation!

Winter Gymnastics Picture Day

Commemorate your little gymnast with Winter Gymnastics Picture Day. Registration will include x1 – 8x10 Memory Mate, x2 – 3.5x5 Individuals, & x4 – 2x3 Wallets. Commemorative Programs
 to help you honor and/or memorialize
 a special family member, friend or business.

To become involved in the **Plant A Living Tree Memorial program**, you will make a contribution to cover the cost of purchasing a tree that you choose from a list of authorized trees that the park district has approved. For purchasing a tree, a donor will have the opportunity to assist the park district in selecting the site where the tree will be planted and you will receive a letter acknowledging the donation. In addition, the individual's name for which the tree is being planted will be engraved on a leaf on the Alsip Park District's "Plant a Living Tree Memorial" Plaque, that is on display at the Apollo Recreation Center. You can download an application on our website at <https://www.alsipparks.org/plant-a-living-tree-memorial-program/>

To become involved in the Apollo Brick Program, you can select one of three size bricks to personalize. Bricks will be placed in the memorial area of Apollo Park near the flagpole. You will receive a letter acknowledging your brick and a certificate will be sent to the family or business that is being honored and/or remembered.
