WHAT'S HAPPENING AT THE ALSIP PARK DISTRICT

We would like to wish Dale Durnin a Happy Retirement. After 27 years of dedicated service to the Alsip Park District and community, Dale retired on February 2, 2024. He was a great asset to the District over the years ensuring all our parks and facilities were in great condition for our community. Thank you Dale! You will be missed by all and we wish you the very BEST in your retirement!

We are excited to welcome Chris Grubb to the Alsip Park District as our Superintendent of Parks. Chris joins the Alsip Park District team with an extensive background in construction. He has previously served in roles as a Field Superintendent and is a carpenter by trade. Chris has recently received his Aquatic Facility Operator (AFO) certification. We are excited about the leadership and knowledge that Chris will bring to our team and are looking forward to his tenure with the District.

Congratulations to Mike DeChene on his recent promotion to Park Foreman. Mike has been a member of our parks department team for 15 years and has been a great asset within the department. We are excited for Mike to take on this leadership opportunity and continue his tenure with the District.

Congratulations to Max Jones as he joins our team in a full-time capacity as a Parks Laborer. Max has previously served as an Assistant Manager at our Sprayfari Aquatic Park and as a part time Park Laborer. We are looking forward to Max's full-time tenure at the District.

We are excited to announce that the Alsip Park District has received a \$583,000.00 Open Space Land Acquisition and Development (OSLAD) Grant for the redevelopment of Freedom Park. With this grant, the Freedom Park redevelopment will include a new playground, pickleball courts, a nine-hole disc golf course, a dog park and a mountain bike track. Freedom Park is currently a trailhead to the Cal-Sag Trail. The grant will allow for expanded amenities while also remaining as a trailhead. We anticipate project kick off to begin later this year.

THANK YOU!

Thank you for all the support at the Ribbon Cutting Celebration for Apollo Recreation Center!

Through the Park and Recreational Facility Construction Act (PARC) grant program, part of the Governor's Rebuild Illinois capital program, the Alsip Park District was awarded a \$2,500,000.00 grant for the redevelopment of the Apollo Recreation Center. On March 27, 2024 we held a Ribbon Cutting Celebration to showcase the updates and expansion areas to the community. We would like to thank the community for all the patience and support throughout this project. We would also like to send a big thank you to our sponsors, donors and supporters of the Ribbon Cutting Celebration. And an EXTRA SPECIAL SHOUT OUT to our amazing staff for their hard work, dedication and passion in seeing this project come to life! We are excited to prepare the final touches on some of these new spaces for all the community to enjoy. Please continue to stay tuned as some of our favorite programs continue as well as new opportunities offered. We would also love to hear from you with any ideas of programming you would like to see. You can e-mail us at mainoffice@alsiparks.org to share your input.

The Alsip Park District is a proud member of SWSRA!

SWSRA provides year-round quality therapeutic recreation programs and services for individuals with intellectual and/or physical disabilities or special needs. SWSRA programs are designed to increase independence and enhance the quality of life for each individual.

The Apollo Recreation Center Expansion Project included the addition of an indoor walking track, an additional multi-purpose gymnasium, an expanded fitness center, an indoor play area, additional program spaces, renovated gym bathrooms to ADA compliance, a new registration desk and seating area as well as new seating in the existing gymnasium. In addition, SWSRA's main registration desk has been moved within a shared space at the new registration desk as well as their offices have been relocated to the main level and accessible to the community.

We Love Parents BUT...

Parents are encouraged to attend their child's first day of class. Please do not remain in the gym after you have dropped your child off. This is in the best interest of your child. Interruptions tend to affect the participant's attention span and inhibit the establishment of peer relationships. It's also important to arrive on time so participants can participate in a proper warm up and stretching. Please do not use class time to speak to your child's instructor. Instructors are available before and after class if you wish to speak with them. Thank you for your cooperation!

*Please note that gymnasts that are interested in pursuing Team are encouraged to participate in the Shooting Stars program until their skill level has reached Team status (Reminder: ALL TEAMS ARE BY PLACEMENT ONLY). If the Alsip Gymnastics Team program doesn't meet **minimum participants**, **this time will be made available to Shooting Stars/additional supervised practice.**

POLICIES & PROCEDURES

Cancellations:

A reservation may be cancelled prior to 24 hours in advance of the tee time with no charge either by contacting the golf shop or through the website. Any cancellations made less than 24 hours prior to the tee time will be charged the Sr. Resident Rate, unless in the event of a course closure due to severe weather.

No Show Policy:

A no-show policy will apply to all tee time reservations. The individual making the reservation, whether it is for 1, 2, 3, 4 or more players will be responsible for the entire group's no-show fees, or any portion of the fees if players are missing from the group. No-shows will be charged the Sr. Resident Rate

Pace of Play:

It should be a goal of all players to complete their round in 2:15. The Club's course advisors will work with all guests to ensure that an acceptable pace of play is maintained to maximize everyone's enjoyment of their round. It is the responsibility of each group to keep pace with the group ahead. If a group falls out of position and is in danger of not completing their round within the allocated time of 2:15, then our course advisor will assist them in getting back into position, which may require them to skip a shot or hole to do so.

Outside Food & Beverage:

Guests are not allowed to bring in any outside food or beverages on property for consumption. Only food and beverage purchased from The Club may be taken onto the course. Due to the State of Illinois liquor laws, all distribution of alcohol must be controlled by The Club.

NO PERSONAL COOLERS ARE ALLOWED

POLICIES & PROCEDURES

Dress Code:

All persons using the Fountain Hills Facilities are required to wear proper attire at all times. NOT PERMITTED: Swim suits, cut off shorts or cut off sleeveless shirts. Clothing must be worn at all times. No one is allowed to go topless.

Reservation Policy:

Reservations can be made up to 7 days in advance. All reservations are guaranteed. Either by 1) online prepayment or 2) guaranteeing with a credit card over the phone through the club.

All golfers are expected to arrive at the golf course at least 10 minutes before their scheduled tee time. Reserved reservation will be given away to walk-in groups 5 minutes prior to a tee time if the reserved group has not checked in and paid for all golfers.

One important thing to remember, tee time is when you are expected to be hitting your ball down the fairway from the first tee, not when you enter the parking lot with your vehicle or are walking in to the pro shop to pay your green fee.

Fountain Hills Golf Club reserves the right to pair players together. Groups of less than four (4) players run the risk of being paired with other pre-paid or walk-in player(s).

Cart Use Policy:

Single Rider Cart Usage: To help offset the additional cost incurred from the increased usage of carts, the wear and tear on those carts because of the additional usage, the additional labor required for cart cleaning and sanitation, not to mention the distress of turf conditions due to the extra cart usage, our facility can no longer maintain the "one cart, one golfer" policy without charging a nominal Convenience Fee. The convenience fee will be \$5 per person per 9 holes. This will be in addition to the regular cart fee rate. All cart usage is based on availability and we are unable to guarantee single rider carts. We will do our best to accommodate the special request for single rider golf cart use, however we cannot guarantee that a cart will be available.

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. I have read and fully understand the above important information, warning of risk, waiver and release of all claims, and photo/video authorization.
