

# What's Happening at Alsip Park District

#### Congratulations to Max Jones, Park Laborer!

Max has recently received his Aquatic Facility Operator (AFO) certification. The Aquatic Facility Operator (AFO) certification provides the most comprehensive and up-to-date training on operations, mechanical systems, water chemistry, disinfection, safety and much more.

Thank you Max for your dedication and hard work in keeping all of our parks and facilities in tip-top shape!

#### Freedom Park Redevelopment

We continue to work on design development documents for the redevelopment of Freedom Park. This project will include a new playground, pickleball courts, a nine-hole disc golf course, a dog park and a mountain bike track.

This past winter and spring, a wetland delineation study was completed which revealed that wetlands do not exist on this property. We also completed a topographic survey and had some initial clearing completed. Even with snow on the ground, we were on site working on project layout. We are so excited to bring life to this property that we lease from the Metropolitan Water Reclamation District (MWRD).

Freedom Park is currently a trailhead to the Cal-Sag Trail. The grant will allow for expanded amenities while also remaining as a trailhead. We continue to work towards officially breaking ground this year.

The Alsip Park District has received a \$583,000.00 Open Space Land Acquisition and Development (OSLAD)

Grant for this redevelopment project.

#### A Petanque Court was added to the Mary J. Lynch Skate Park.

A Petanque Court was added to the Mary J. Lynch Skate Park. Pétanque, pronounced "pay-tonk", one of Europe's most popular outdoor games, is a cousin of both horseshoes and of the Italian bowling game called 'bocce'.

The aim is to toss or roll a number of hollow steel balls ("boules") as close as possible to a small wooden target ball, called "but" or "cochonnet" (French for "piglet"). Players take turns and the team that ends up nearest to the target ball when all balls are played, wins. Unlike horseshoes, where the aim stake is fixed, the target ball can be hit (and thus moved) at any time, which can totally upset the score at the last second. We hope you enjoy your time at this park location. Stay tuned for an official Ribbon Cutting Ceremony to celebrate The Mary J. Lynch Skate Park.

#### **Alsip Park District Board of Commissioners**

The Park Board is composed of five non-paid individuals selected by you to serve elected terms. The Board is primarily a policy-making body that reflects the needs and interest of all taxpayers. The Board of Commissioners meets on the fourth Monday of each month at the Apollo Recreation Center, 12521 South Kostner at 6:30 pm. The public is welcome to attend.

#### Girls Gymnastics Level 2

Once your daughter has successfully completed Gymnastics Level 1 and has a coach's endorsement, she will be ready for this class. Level 2 is a one hour class designed for 7 to 12 year olds and will provide gymnasts with a continuation of skill progression. Gymnasts will continue with all equipment used in Level 1 Class. Girls who have gymnasts experience may request a skill evaluation to determine if this class is appropriate for their ability level. Girls must wear a leotard or shorts and a t-shirt.

We also offer private tumbling classes for Cheer Teams or groups, please contact Athletic Supervisor, Payton Presler for more information.

# Parent & Tot Playnastics (Structured)

This structured class will provide group activities as well as independent playtime for you and your child to socialize. Children will have the opportunity to utilize gymnastics equipment to jump, climb, crawl, and swing in a safe environment. Class goals include listening skills, fundamental movements, coordination, fine and gross motor skill development, and body awareness. Participants must

have a parent or guardian present.

This 45 minute class is for boys and girls ages 7 to 12 who would like to learn to tumble. Participants will learn the progression of rolls, cartwheels, handstands, round offs, limber skills, walkovers, and handsprings. Using a variety of practice drills, tumblers will begin with the basics and individually progress through more advanced skills. Participants must wear a leotard or shorts and a fitted t-shirt.

#### **Pre-School Gymnastics**

Our pre-school gymnastics class is designed for children ages 3 to 4. Each 45 minutes class will focus on beginner skills for vault, bars, beam, and floor. Gymnastics will also develop body and spatial awareness, as well as confidence while using the springboard, preschool, and low bar, low and medium balance. Participants must wear a leotard or shorts and a t-shirt.

#### **Kinder Gymnastics**

This 45 minute class is designed for boys and girls ages 5 and 6. Participants will gain experience on the springboard, low and medium balance beams, pre-school and low bar, as well as the floor. Gymnasts will also develop body and spatial awareness along with confidence using our many skill shapes and trainers. Participants must wear a leotard or shorts and a t-shirt.

#### **Shooting Stars**

The Shooting Stars program trains 2 days a week and is for those girls who can train specifically FOR the Alsip Stars (gymnastics competitive team). This class is designed for gymnasts to work on skills that are required to be on the competitive team. This will allow gymnasts to make an easy transition from gymnastics class to competitive gymnastics. This class is also for gymnasts who want to excel in gymnastics without competing. \*Please note that gymnasts who are interested in joining the Alsip Stars Gymnastics Team must participate (or have participated) in the Shooting Stars program (consecutively) until their skills level has reached competitive status. Once your gymnast is ready to join the Alsip Stars Gymnastics Team, She will be notified by a coach.

ALSIP STARS GYMNASTIC TEAM IS BY PLACEMENT ONLY.

#### Alsip Stars (TEAM)

The Alsip Stars Gymnastics Team trains 2 or 3 days per week, year round. The Alsip Stars Team is designed only for gymnasts who will be competing on our competitive team. Our Gymnastics Team competes in the Illinois Park District Gymnastics Conference from January to May. Any fees related to competition (leotards, warmups, meet fees, etc.) are in addition to the Alsip Park District registration fee. For more information, please contact the gymnastics staff.

#### We Love Our Parents But.....

Parents are encouraged to attend their child's first day of class. Please do not remain in the gym after you have dropped your child off. This is in the best interest of your child. Interruptions tend to affect the participant's attention span and inhibit the establishment of peer relationships. It's also important to arrive on time so participants can participate in a proper warm up and stretching. Please do not use class time to speak to your child's instructor. Instructors are available before and after class if you wish to speak with them. Thank you for your cooperation.

# POLICIES & PROCEDURES

#### **Dress Code:**

All persons using the Fountain Hills Facilities are required to wear proper attire at all times. NOT PERMITTED: Swim suits, cut off shorts or cut off sleeveless shirts. Clothing must be worn at all times. No one is allowed to go topless.

## **Reservation Policy:**

Reservations can be made up to 7 days in advance. All reservations are guaranteed. Either by 1) online prepayment or 2) guaranteeing with a credit card over the phone through the club.

All golfers are expected to arrive at the golf course at least 10 minutes before their scheduled tee time. Reserved reservation will be given away to walk-in groups 5 minutes prior to a tee time if the reserved group has not checked in and paid for all golfers.

One important thing to remember, tee time is when you are expected to be hitting your ball down the fairway from the first tee, not when you enter the parking lot with your vehicle or are walking in to the pro shop to pay your green fee.

Fountain Hills Golf Club reserves the right to pair players together. Groups of less than four (4) players run the risk of being paired with other pre-paid or walk-in player(s).

# Cart Use Policy:

Single Rider Cart Usage: To help offset the additional cost incurred from the increased usage of carts, the wear and tear on those carts because of the additional usage, the additional labor required for cart cleaning and sanitation, not to mention the distress of turf conditions due to the extra cart usage, our facility can no longer maintain the "one cart, one golfer" policy without charging a nominal Convenience Fee. The convenience fee will be \$10 per person per 9 holes. This will be in addition to the regular cart fee rate. All cart usage is based on availability and we are unable to guarantee single rider carts. We will do our best to accommodate the special request for single rider golf cart use, however we cannot guarantee that one will be available.

# POLICIES & PROCEDURES

## **Cancellations:**

A reservation may be cancelled prior to 24 hours in advance of the tee time with no charge either by contacting the golf shop or through the website. Any cancellations made less than 24 hours prior to the tee time will be charged the Sr. Resident Rate, unless in the event of a course closure due to severe weather.

## **No Show Policy:**

A no-show policy will apply to all tee time reservations. The individual making the reservation, whether it is for 1, 2, 3, 4 or more players will be responsible for the entire group's no-show fees, or any portion of the fees if players are missing from the group. No-shows will be charged the \$ 10.00 - NO SHOW FEE

# Pace of Play:

It should be a goal of all players to complete their round in 2:15. The Club's course advisors will work with all guests to ensure that an acceptable pace of play is maintained to maximize everyone's enjoyment of their round. It is the responsibility of each group to keep pace with the group ahead. If a group falls out of position and is in danger of not completing their round within the allocated time of 2:15, then our course advisor will assist them in getting back into position, which may require them to skip a shot or hole to do so.

# Outside Food & Beverage:

Guests are not allowed to bring in any outside food or beverages on property for consumption. Only food and beverage purchased from The Club may be taken onto the course. Due to the State of Illinois liquor laws, all distribution of alcohol must be controlled by The Club.
